

## Pippi Longstocking

Freckles on her nose,  
Diddle diddle dee,  
a girl came riding  
Into town one day  
Diddle diddle she was quite a sight.

It's Pippi Longstocking;  
Heigh ho ho wa hee ha ha!  
It's Pippi Longstocking;  
There's no one like her.

Happy as can be,  
Diddle diddle, Pippi tells you stories.  
You just wait and see,  
Tra la la la la, she's quite a girl.

She's got a house,  
An old and funny house,  
A monkey and a horse,  
A suitcase full of golden coins....

And you will ne-  
Ver ever ever find  
Another girl so strong  
And always generous and kind.

Pippi's world is fun,  
Diddle diddle dee;  
she makes kids happy.  
Her make believe may stun--  
Diddle did(dle) -- the grownups here in town.

Pippi's quite unique,  
Diddle diddle, with her smile disarming;  
She is such an imp,  
Tra la la la la, you'll love her too!
